City Council meeting, **Wednesday, August 27th at 6 pm** in the Sprague Public Library.

We are back to school, please keep an eye out for kids.

The City of Sprague ordinances are codified and enforceable. <https://sprague.municipal.codes>.

In case of a water emergency after hours please contact Public Works at 509-570-3219. It is \$100 fine for tampering with water meters (to turn water meters off and on yourself).

In case of emergencies, city hall needs updated phone numbers from residents.

The City of Sprague is thrilled to announce TextMyGov, a convenient and smart text messaging service! You can choose to opt-in by texting the keyword "**SPRAGUE**" to **91896**. You will be asked to reply "YES" to confirm opt-in. Residents may receive notifications about events, water outages, council meetings, etc. You can opt-out at any time by texting **STOP**.

We have had several complaints regarding dogs making messes in people's yards. Please have respect for others; keep your dog's off of private property and clean up after them!

Remember visiting RVs requires a permit in city limits. You can get one at city hall or online.

Please take your garbage cans out Thursday night or by 6 am for pick-up or they will not be picked up. After pickup, please remove cans off the street and sidewalks.

If you are planning on building, remodeling, etc. on your property, you need to check with the city and county for zoning requirements and building permits prior to construction.

To save our sewer system and cost to the community, please remember not to flush baby, adult & Clorox wipes, Swiffer's, feminine products, paper towels, etc.

There is currently a burn ban in the city and county.
