Cemetery District #7/Maccabee Cemetery

The commissioners of Maccabee Cemetery appreciate the vote of support during the November election. These results allow us to pursue future projects. Consideration will be given to signage recognition to Lakeview, road repair, row markers, shed replacement, and scheduled rotation of fertilizing. Our project of newly installed 3 phase panel and service with pump controls and switches is nearly completed.

If you are interested in purchasing a plot at Maccabee Cemetery contact our sexton, Rose Kissler or leave your request at City Hall.

Sincere thanks to our patrons. We welcome your suggestions and ideas.
