## Fair Housing Review of Local Zoning Laws

As the contact person for Fair Housing Information, I have reviewed the City's zoning laws. I found no zoning laws that detract from the goals, objectives, and principles of the Fair Housing Law.

The City's zoning laws do not by direct reference or indirect implications support discrimination in the rental, sale or financing of housing, including home improvements, on the basis of race, color, religion, sex, familial status, handicap and/or origin.

Respectfully submitted,
