### Sprague Chamber of Commerce

THANK YOU to all who donated time, money, candy, boiled eggs & Wheatland Waste's fidget spinners. We delivered/hid 69 baskets to 30 homes. In this year of change, the kids very much appreciated this. Thanks for sharing pictures with all of us at Sprague Chamber.

And...

Sprague Chamber has not met the last 2 months due to the 'Stay at Home' order. We are hoping to have Sprague Days, September 12-13, if the State allows. We will need to start meeting to plan, even if it's unconventional meetings, such as, utilizing Zoom or outdoors where we can sit 6' apart. If you or your group would like to help with the parade, Bingo, petting zoo, chalk art downtown, car show, or other ideas please contact Joy by phone/text 994-2319, email at [cjwilken@hotmail.com](mailto:cjwilken@hotmail.com) or at 403 W 3rd St

### Sprague Library News:

Planning is underway to have some type of Summer Reading Program; please keep this in mind for the summer vacation.

### Just Sprague/Feed Sprague update:

Nothing like a PANDEMIC to see the power of a small town pulling together to help one another. I have been blessed to see the outpouring of support from such an array of citizens. Because of this, the once a month meal and grocery distribution has grown into a senior/community meal delivered on Wednesdays and a food/produce box delivered to 70 elderly or vulnerable on Fridays, including Lamont.

This kind of increase in production does not happen without a lot of help. Thanks to everyone who comes to help.
