Lagoon/Garbage Information

Wheatland Waste picks up garbage starting at 7:00 am on Wednesdays. Please make sure your cans are at the edge of the road.

Please remember that no yard waste can go in our garbage cans. You could be fined if Lincoln County finds any leaves, branches, etc. in our garbage. Please utilize the lagoon when it is available.

Watch for flyers regarding the days/times **the lagoon** will be open.

We recently pulled knotted dishrags from the lift station sewer pumps. We would greatly appreciate that residents would NOT flush anything other than what is meant to flush down a toilet. To save our sewer system and cost to the community, please remember DO NOT flush baby and Clorox wipes, Swiffer pads and/or feminine hygiene products.

We have been finding a lot of broken glass and litter in our streets, parks, and sidewalks. Please do not litter. There are garbage receptacles placed throughout town for your convenience.

Keep Sprague clean and safe.

Because of COVID, we have not gotten out and about for yard shout outs. However, we have noticed many great yards, we know who you are and appreciate the hard work. Thank you for making Sprague look beautiful for all of us to enjoy!

School is in session! Have fun, be safe, learn much! Please drive careful!

It is so nice to have a fresh new road, thank you to all who made this possible!

Sprague Food Bank: Food Bank is only held one Saturday a month so be on the lookout for flyers around town for the exact date! Sprague Food Bank thanks Joy Wilken for the food purchases that she gave in August!
