

TDD Information

A statewide relay service is available for communicating with individuals with hearing impairments by calling 1-800-833-6388.

The TDD relay service connects people who have TDD's with family, friends and businesses who do not have them. For additional information on communications access services for persons who are deaf or hard of hearing, call the State Coordinator for the Deaf in Olympia at 360-753-0703 (Voice), 360-753-0699 (TDD). In Eastern Washington call 509-328-9220 (TDD/Voice). The City can also receive email correspondence from hearing impaired individuals or people with disabilities,
