

DRUNKEN GOATS

Quick Start Guide

- Each player is dealt 4 cards
- Dealer or winner of the last round goes first
- There are two types of cards: Alcohol and Action cards
 - There are 4 kinds of Alcohol Cards -
Beer, Wine, Whiskey, and Tequila
- Use action cards to strategically obtain needed pairs of Alcohol Cards
- The goal of the game is to get a matching pair of each of the 4 kinds alcohol cards
- At the beginning of each turn, a player **MUST** play any matching Alcohol Card Pairs
 - A matching pair Alcohol Cards must first be played as a needed pair
and then can be traded in for 3 new cards for following pairs
 - After alcohol pairs are played (if any), the player has two options:
 - * play Action Cards
 - * draw a card to end their turn
 - A players turn ends by drawing a card from the draw pile
- * Optional Drinking Rule *
 - Opposing players drink every time an alcohol pair is made
