Aug/Sept 1994

Bye Bye! So Long! Farewell! And before we know it, September is here! SUMMER 1994 ran the gamut of typical summer days. There were stretches of *HOT, HUMID* weather for those who really like to sweat. Activities and parties for those that wanted to be active, lovely, lazy days for those who enjoy basking in the sun, sudden summer storms, magnificent and terrifying, some gray and rainy days for finishing novels, and many, many glorious beach days. The only thing wrong with this summer was that it was, as always too short, and all of us who have experienced the dismay of finding that first fallen reddened leaf and the exhilarating melancholy of the first blustery "Real August" day, could feel wistful at the passing of time once again. It was wonderful to be able to pass news over hedges and bar-b-ques and from beach chair to beach chair, to renew and develop friendships, and to watch children find and foster new relationships that may enrich their lives for years to come! We hope that this newsletter will keep the memories of summer fresh and shorten the time, (and often distance!) between us as we live our Fall/Winter/Spring lives. Keep us informed about whats happening with you and we'll let you know the latest about the S.B.P.O.A. and your community!

## ASSOCIATION NEWS

Twice is a coincidence, three times, a tradition and the 4TH ANNUAL CLAM-B-QUE...great again! Despite the downpour which sent the volunteers into a state of hectic activity minutes before the first guest arrived, the party was super, the dancing, non-stop...MR. MUSIC had people who "never dance" shaking legs and other assorted body parts and anyone who can't do the "CHICKEN" by now was probably helping themselves to 2nds of the delicious and plentiful food, prepared by Chef BRUCE KRETSCHMER & STAFF, or the

superb deserts baked by MARYROSE HETHERINGTON. The multigenerational crowd (from 1 month to 90+) enjoyed the party with enthusiasm and dealt with the rain with humor."They came expecting, intending to have fun", said CAROL HETHERINGTON, who organizes the CBQ each year with ELLEN KRETSCHMER. "We can't miss with that kind of spirit!" Highlights included a surprise CBQ mascot dance by LAUREN HETHERINGTON and BRUCE KRETSCHMER JR..The hard work of the volunteers and the support of the community raised \$3,067 for the Beach!

## FIELD DAY

Was this the best **FIELD DAY** ever? A crisp, sunny day - just cool enough for the foot races, the water warm and comfortable enough for the swimmers and watermelon wrestlers! **NANCY PAUL** and her **STAFF** did a great job of organizing the day and feeding the crowd, and **ROSEMARY NUCATOLA** was astounding, coordinating and announcing the races and raffles brilliantly, as the rest of us marveled at her energy!

Congratulations to all who participated in the races and kudos to **LINDA MIRRO** who kept track of the winners:

**ANNUAL MEMBERSHIP MEETING**

About 50 people attended the ANNUAL MEMBERSHIP MEETING, Held at the Clubhouse on August 13th. A Great Turnout!. Reports were given by various committees and next year's budget was submitted to the members there for approval. After a heated and vigorous discussion, the budget was accepted as is, a conservative budget in which projected expenses do not exceed projected income. Additional money was allocated for the beach account, for security and guards for next summer, with the understanding that if more is required as Summer '95 progresses and our finances can support it, more will be allocated to expand security and extend the season.

TOM WHITEN of the auditing committee(LINDA CUOMO, ELLEN KRETSCHMER, TOM WHITEN and CONNIE FERRICK) presented a detailed report on the finances and record keeping of the board with recommendations for the future. All agreed that DOROTHY FARRELL was doing a fine job as treasurer and that our financial picture was understandable and accessible to the general membership.

WILLIE SMITH, chair of the nominating committee, presented a slate of new and current board members up for election, which was approved by the members there. Election of officers will take place at the September board meeting.

A plaque was presented to MRS GERTRUDE FREUDENTHAL and ELEANOR KAISER, honoring HERMAN FREUDENTHAL, who passed away this year. HERMAN was well known for his sunny smile, pith helmet and his love for Sound Beach. He served the S.B.P.O.A. for many years as a beach guard. He will be fondly remembered and missed.

A memorial plaque will also be presented to the STREEF family, honoring EERO STREEF, who also served the association as a beach guard, a board member and as Youth Committee Chair. He and his wife MARGIE, who passed away last year, have left a legacy of love for their family and huge extended family and friends.

### **65th Anniversary Party**

A shattering thunderstorm, power outages throughout Sound Beach, torrential rain didn't keep people away from this party! The clubhouse electricity was spared the wrath of the storm, (which was bound to happen, on the 25th anniversary of Woodstock,) and the guests, though a bit wet, were undaunted by Mother Nature's dramatics. It was a great party! GEORGE & EVELYN FECHT, who chaired the committee, had the Clubhouse decorated elegantly with S.B.P.O.A. colors. GEORGE made a champagne toast congratulating and thanking all those who had worked so hard over the years to get us to this day. The guests enjoyed the display of S.B. memorabilia, coordinated by ROSE SOLAZZO. NANCY MCDONOUGH, LAUREN DEDOMINICK, ALLIE FUSCO, KATIE FINN & MELISSA LANE served an array of dishes from various S. B. businesses (Rubino's, Gene's Kitchen, Heavy's Express) THE NEW YORK AVENUE BAND provided the music and the dance floor was packed. There was a special appearance by VIC SCALONE, who sang SATISFACTION - he was great! Winners of the Summer raffle were announced: MRS CIPELLA, TOM RUMORE, LUCILLE FOUNTAIN.

**THE END OF SUMMER BEACH PARTY**  
Summer 94 treated us to such a spectacular finale - (the most perfect beach weather - clear blue skies, clean water, jelly fish miraculously absent) that at the **END OF SUMMER BEACH PARTY**, everyone agreed that they'd like to start the summer over again! The day was organized by ROSEMARY NUCATOLA & JAN WHITEN and it was a beautiful party, with so many

dishes, prepared lovingly by the guests themselves that it was really hard to choose! There was a children's raffle with toys donated by another anonymous angel. The spirit of the day was so warm and positive, everyone feeling lucky to have enjoyed another summer on our beloved beach, which was at the height of its beauty! Goodbyes were reluctantly exchanged, though there were many lucky ones stayed to experience the truly magnificent week leading up to Labor Day and many more who, at this moment, are enjoying the special magic of Indian Summer!

NEW BUSINESSES IN TOWN! PLEASE WELCOME THEM!

**LULLABUYS**

Opened May 1994

The new children's consignment shop in the square is so nice that I'd like to keep it a secret, (but I won't). It's full of beautiful, high quality, gently used children's and maternity clothes at incredibly low prices, all inspected and repaired so that they look brand new as well as lovely items for babies, handmade by local craftspeople! There's a small play area in the middle of the store - your toddlers can occupy themselves while you browse! Marion, who owns and operates the store, says that she caters to clientele "from new moms to grandmoms" and being the mother of a 2 yr old herself, understands the needs of a young family. She'd like to thank all her neighbors in the square who welcomed her so warmly and the consigners and customers who have helped her make a start in Sound Beach!

**HEAVY'S EXPRESS** Opened Oct 1993

Happy Birthday! Sometimes I go into this deli just to be cheered up! Owners Kevin and Linda Allison, have created such a friendly and warm mood that it makes me feel good! Then there are the great sandwiches, (with a new theme each week) and salads, clean, well stocked shelves and a really neat T shirt collection. HEAVY'S ran beach service this summer, bringing cold drinks and icecream at the perfect hot moments..They are also available to cater parties Stop in and introduce yourself to the super friendly staff and to Kevin himself. You'll be glad you did!

**PERSONAL IMAGE** Opened March '94

"When I found Sound Beach I fell in love with it" says Robert Marina, of PERSONAL IMAGE, the new hair salon in the square. He comes here with many years of experience, 15 years as director of Education for Clairol in N.Y.C. and is now an Educator for L'oreal. PERSONAL IMAGE specializes in all phases of hair design and coloring and also offers nail services. The shop has a cozy, homey feel to it perfect for relaxing while your color sets or your perm perms..Robert and his family have a great sense of community spirit and are full of creative ideas for the future, ranging from Cut a Thons to full day beauty makeovers! Watch for info!

**SOUND BEACH KIDS** Opened June '94

Debbie Bender, owner, director and program designer of SOUND BEACH KIDS PRE-SCHOOL has five N.Y.State. certifications, is owner of MOMMY AND ME and has 2 children of her own! Her lovely preschool in the square is in an airy, brightly colored space filled with safe sturdy toys and staffed by 4 enthusiastic teachers. MOMMY AND ME classes were held there during the Summer, and starting in September, classes for 3 & 4 year olds will be running throughout the year. S.B.K.'s philosophy is "Learning through Play" Debbie believes that children can understand concepts through fun, hands-on experience. Call or stop by for information and schedules.

*Dear Members,*

*Thanks for another wonderful year! We survived our 65th year without any major disasters, and our volunteer crew accomplished some necessary projects, such as the renovation of the East beach steps. We still have more work to do there. Come out neighbors and lend a hand! We're hoping to build a bulkhead to save the steps on the West beach. If we don't protect what we have, we'll lose everything. Please support our bulkhead drive this winter. The clubhouse looks great, but we'll be needing a new roof. We ask for volunteers to help us. How about you? Call me at 744-4799. Again, thanks to all the people who helped with the summer activities. We sure had a "Good old Summertime"! See you at the Halloween party!*

### MEMORIES OF OLD SOUND BEACH by Marita "Totty" Lane-Pupke

In the 40's and 50's, as you walked along the beach, you would see wooden horses along the foot of the cliff. These frames belonged to the people who had rowboats or small boats with motors. At the end of the day, as they pulled up onto the beach, the young men who were on the beach would be enlisted to help lift the boats out of the water, carry them and put them onto the horses. At night, if you built a bon fire, or just went down to the beach you could sit under the boats to keep the wind away as you enjoyed the sound of the waves breaking onto the shore. During the day, if the boat was out, you had an ideal towel rack!
