Spring 1991

We live next to the sea, in Sound Beach. Our northern boundary is Long Island Sound. This sea connects us with every sea story ever told. The sea reminds us of childrens stories, great adventures, and great conquests. It has been the great road for the known and the dangerous unknown. We the residents of Sound Beach are on its shores, with bleacher seats, gazing at its blue waters. (pity the people who live in Kansas, or Selden) Our bleachers need your support. The parklands, which are our nothern boundary, that each resident takes for granted are supported only by membership fees. The loss of several rentals by senior citizen groups at the clubhouse, has now created an enormous financial strain on the resources of SBPOA, the caretakers of the parklands, clubhouse, and the beach. You don't have to be a rocket scientist, to know what the costs of insurance and upkeep of things are. If membership does not increase to pay for these costs, we could lose our parklands. This letter is being sent to you, because you CARE! We need your help. Please ask your neighbors to join SBPOA. Help us with our fund drive. We also need help on the board of SBPOA. The problems we had in the past, still come around each year. Many of you have been board members, and have stories of the problems you faced. Those problems still exist, only there are less hands dealing with them. We need you and your expertise. This past year the insurance doubled. We needed someone who understood insurance. Could that have been you? We had problems with construction of the stairs and needed someone who understood construction. Could that have been you?.....There are no complaints about SBPOA services. We still have beaches open, teen dances, activities in arts and crafts for children, community involvement, environmental watchers, meeting halls for AA, sponsor Boy Scouts, and Cubs. But this can all come to a halt, if we do not receive an increase in our membership. If the parklands go back to New York State, and or, the town of Brookhaven decides to make a Cedar Beach extension, the peaceful town of Sound Beach will be a very different place. The noise, traffic and crime will be just another fact of life. This letter is directed to you, because you care. Our bleachers to the sea are in need of your support, join now! Talk to your neighbors, and let us try to save one of our towns greatest assets. What a shame it will be years from now when they say, "The people didn't even care.".....

Your neighbors will be knocking on your door, to ask for your support and answer your questions about the possible N.Y. State takeover, of our waterfront and clubhouse property. We hope your support will stop a possible N.Y. State Wildwood Beach extension, campgrounds, and parking area, which will be available to all N.Y. State residents. The Clubhouse, on Malba Dr., and parking area, will also be put on the rolls, for all N.Y. State agencies to use. Your support is needed to keep the quality of our town. Join SBPOA NOW!!!.....

During the summer months, we have security guards patrolling our beaches, and waterfront, in the evenings. These patrols have cut down noise and disturbances. The funds, for these patrols come from membership dollars. Arts and Crafts for children, teen dances, Field Day, adult dances, life guards, swimming lessons, Boy Scouts, Cub Scouts, S.B. community activities, and much, much, more, are supported by SBPOA membership dollars. This organization has dedicated over 60 years to Sound Beach. Your support is now needed more than ever. Join your community, join SBPOA and keep the quality in our town.
