

A high-angle, aerial photograph of the Chicago skyline during the 'golden hour' of sunset. The sun is low on the horizon, casting a warm, golden glow over the city's numerous skyscrapers and buildings. The Lake Michigan is visible in the background, reflecting the light. The Willis Tower is a prominent feature in the center of the skyline.

FIRST LOOK: CHICAGO DEPARTMENT OF TRANSPORTATION

Host for Today's Workshop | Jackie Umbles

The Department of Procurement Services is committed to Communications and Outreach, informing citizens of bid opportunities, new programs, and innovations.

Also, ensure that you download a copy of our most recent **Consolidated Buying Plan**. This 15-month forecast includes hundreds of upcoming opportunities for 12 city agencies. To download, go to www.chicago.gov/dps.

We encourage you to follow us on our website, www.chicago.gov/dps, for the latest news, updates, and our calendar of events. Go online, www.chicago.gov/DPS, click on the letter icon and sign up for our Email Newsletter, DPS Alerts, which is full of useful news.

Welcome

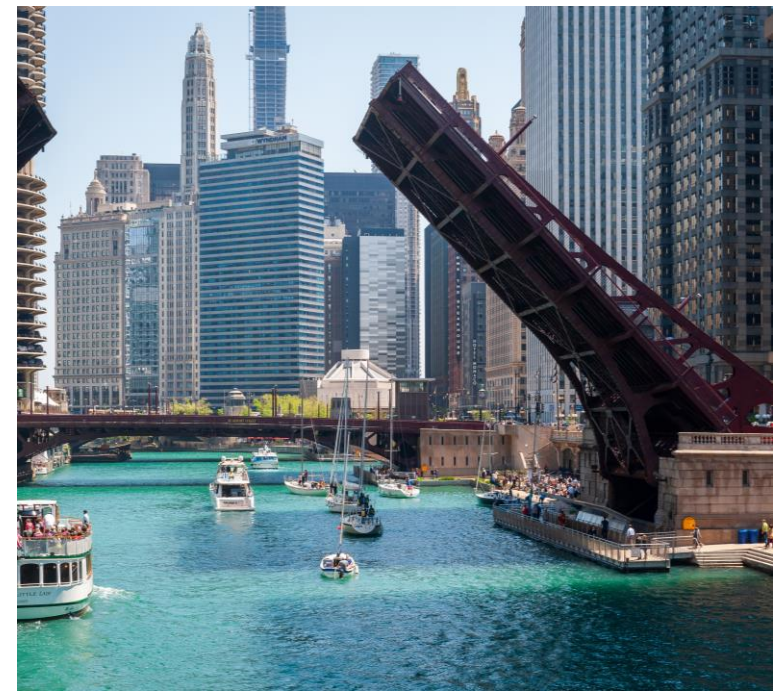

RESOURCE GUIDES

- DPS has published a four-volume set of Resource Guides, expanding on the guiding principle of transparency.
- The Resource Guides were divided into key areas of the procurement process:
 - Contract Administration
 - Incentives and Programs
 - Certification
 - Compliance
- Download now at www.chicago.gov/dpsguides

- Everyone is muted upon entry for the presentation portion of the workshop
- We ask that you hold your questions until the end of the presentation. You can use the chat feature to type out your question and the speaker will answer the questions at the end of the presentation.
- **To Send a Question: Use only the Q & A panel to ask your question. Do not use the chat panel**
 - Use the **Q&A** panel on the right side of your screen.
 - In the Send to or To drop-down list, select the recipient of the message.
 - Enter your message in the chat text box, then press Enter on your keyboard.

Note: If you join a meeting, session, or event in progress, you can see only the **Q&A** that participants send after you join.
