PINK BALL

PLAY. SPONSOR. DONATE. SUPPORT.

Breast cancer has impacted the lives of many at KDI Office Technology, as it has for countless others. This devastating disease knows no boundaries, affecting both women and men. KDI is dedicated to ensuring no one faces breast cancer alone and remains committed to supporting the American Cancer Society's Making Strides in raising funds. Through various fundraising efforts, our team actively gives back to the community. All proceeds directly benefit the American Cancer Society.

JOIN US ON OUR MISSION! DONATE AN ITEM!

2026 will be the eighth year the KDI Cares Foundation will proudly host **Pink Ball**. Through this charitable event, we bring together members of the community, customers, vendors, and staff. Thanks to the generosity of our sponsors and participants, the Foundation has donated more than \$500,000.00 to the American Cancer Society's Making Strides Against Breast Cancer since the fall of 2018. A huge part of our success is due to generous sponsors and donors, like YOU!

HOW YOU CAN HELP!

Join us in our continued fight against breast cancer by making an in-kind donation.

To donate an item, simply scan the QR Code with your phone and complete the Item Donation Form by August 31, 2026. > >
