# PINK BALL

PLAY. SPONSOR. DONATE. SUPPORT.

Like most people, breast cancer has unfortunately touched the lives of many KDI Office Technology team members. This horrible disease has no boundaries and affects women and men alike. KDI is committed to ensuring no one fights breast cancer alone and steadfast in our mission to assist the American Cancer Society's Making Strides raise funds. Our team regularly gives back to the community in which we serve through various fundraising activities. All proceeds are donated to the American Cancer Society.

## JOIN US ON OUR MISSION! DONATE AN ITEM!

2024 will be the sixth year the KDI Cares Foundation will proudly host **Pink Ball**. Through this charitable event, we bring together members of the community, customers, vendors, and staff. Thanks to the generosity of our sponsors and participants, the Foundation has donated more than \$330,000.00 to the American Cancer Society's Making Strides Against Breast Cancer since the fall of 2018. A huge part of our success is due to generous sponsors and donors, like YOU!
