## Is your family protected if something unexpected happens to you?

Life is a series of unexpected twists and turns. If something happens to you, will your family have the funds to pay the bills without your income? We are here to help: Our 10-year, 20-year, or 30-year term life insurance policies are designed to help your loved ones through the tough times. You may apply for up to \$250,000 (\$100,000 for applicants ages 51–70) of life insurance protection.

And remember: With us, you get the security that comes from knowing your policy is backed by a market leader with more than 50 years of experience in the insurance industry. If you are looking for peace of mind in a life insurance company, look no further.

### HOW WE CAN HELP

No one likes to think he or she needs life insurance: After all, we all like to believe the unpleasant things in life only happen to others. But when people depend on you, assuring their financial futures with life insurance benefits is simply the right thing to do. With our policies, your premiums can be deducted from your paycheck. Plus:

- 1** Your coverage is portable, which means it goes with you if you change jobs.
- 2** Our policies are easy to understand—and we make things even simpler by offering three types of coverage: whole life, term life, and term life with return of premium.
- 3** Our premiums are guaranteed for the selected term option, so you know how much your coverage will cost from month to month and year to year.

## WHY CHOOSE TERM LIFE?

- 1 Lower Premiums** // Depending on your age and smoking status, term life premiums may be lower than those for whole life insurance policies.
- 2 Highest Face Amount Coverage** // Typically, term life insurance offers the most face amount coverage for the lowest cost.
- 3 Flexible Coverage** // Provides protection for a specified time period or term—most often 10, 20, or 30 years—and is designed for temporary circumstances. Term coverage often is purchased by those who need coverage for a specific time period, such as while they have young children, children in college, or are carrying a large debt load.
- 4 Policy Renewal** // If, at the end of your 20-year or 30-year term, your policy has not lapsed and is still in force, you will have the option to renew your policy on an annual basis.

## WHAT IS COVERED?

**ACCELERATED DEATH PAYMENT** (*primary insured only*): We will pay 50 percent of the face amount if the primary insured is diagnosed with a terminal condition. This benefit will be paid only once. Any Accelerated Death Payment will automatically establish a lien against the policy. We shall hold the lien as debt against the death benefit and policy benefits.

**WAIVER OF PREMIUM BENEFIT** (*primary insured only*): Policy premiums will be waived if you become totally disabled under the terms of the policy. Please refer to Limitations and Exclusions for additional information.

Premiums are guaranteed for the selected term option. You may convert the policy while it is in force to a whole life policy without evidence of insurability, subject to policy requirements. The conversion privilege in the term policies must be exercised the earlier of the end of the term period, or on or before the policy anniversary date following your 65th birthday. Refer to the policy for additional information.

**OPTIONAL RIDERS (RIDERS ICC0964050, ICC0964051, ICC0964052, ICC0964053, ICC0964054)**

**SPOUSE 10-YEAR (ISSUE AGES 18–70), 20-YEAR (ISSUE AGES 18–60), OR 30-YEAR (ISSUE AGES 18–50) TERM LIFE INSURANCE RIDER** (*payroll or union sales only*): We will pay 50 percent of the policy's face amount up to a maximum of \$50,000 for your spouse.

**CHILD TERM LIFE INSURANCE RIDER**: We will pay term insurance coverage equal to 25 percent of the policy's face amount up to a maximum of \$15,000 for each dependent child to age 25. To become insured, the child must be at least 14 days old and less than 18 years old at the time of application.

**ACCIDENTAL-DEATH BENEFIT RIDER** (*primary insured only*): We will pay an additional amount equal to the face amount selected if your death is the result of a covered accident and occurs within 180 days of the covered accident. Also, we will pay an additional 25 percent of the face amount selected if your death is the result of an automobile accident while you were wearing an unaltered, properly fastened seatbelt installed by the automobile manufacturer, and you were not at fault for the accident, according to the police report. Please refer to the Limitations and Exclusions for additional information.
