Hannah Christopherson Joins Total Finishing as Marketing Manager

Vancouver, WA– Total Finishing Supplies is proud to announce the addition of **Hannah Christopherson** as the company's new Marketing Manager. With over a decade of experience in marketing within the industrial and agricultural sectors, Christopherson brings a wealth of expertise and a dynamic vision to the team.

Hailing from a family farm in Oregon that has been in her family since 1863, Hannah's roots in industry and hard work run deep. Her career in marketing began with a passion for storytelling, which she has channeled into impactful digital campaigns and creative content creation. She first partnered with Total Finishing as a freelance contractor, where she quickly impressed with her ability to elevate brand presence and connect with audiences. When the opportunity arose to join the team full-time, it was a perfect match.

"I've always admired Total Finishing's commitment to innovation and quality," Christopherson shared. "The chance to work with such a forward-thinking company, while bringing my skills in digital marketing, brand building, and storytelling to the table, is incredibly exciting."

Hannah's approach to marketing is hands-on and energetic. Whether she's filming videos, collaborating with partners, or brainstorming the next big campaign, she brings creativity and enthusiasm to every project. Her work is informed by a deep understanding of customer needs, an authentic voice, and an eye for detail.

Outside of work, Hannah enjoys spending time on her family farm, now producing blueberries and hazelnuts, and embarking on adventures with her beloved pack of dogs.
