---

## Company Profile

# About Us

**MedBulk Shipping Solutions is a Cairo-based Maritime Consulting Firm and Ship Brokerage, founded in 2024 by a Maritime Senior Consultant with 25+ years of experience across leading global shipping companies. Established as a privately owned company, MedBulk is committed to delivering integrated, high-value solutions to clients across the shipping, logistics, and maritime sectors - both locally and internationally.**

## Our Vision

**To be the leading logistics and maritime partner in the Mediterranean region, recognized for our industry expertise, professionalism and customer-centric approach.**

## Our Mission

**To bridge global markets with tailored maritime advisory services, ship brokerage and logistics solutions, delivering seamless and cost-effective services for our clients**

# Our Services

## **CONSULTING**

**We offer expert maritime consulting with a focus on sustainability & operational excellence, specializing in the blue economy, marine climate change & operational feasibility. Our Consultancy extends to port restructuring, operational feasibility studies, liner services, marine project management & the operation of Ro-Ro ships, multi-purpose vessels & breakbulk cargo.**

## **SHIP BROKERAGE**

**At MedBulk Shipping Solutions, we connect cargo owners & charterers with the right vessels through tailored, efficient & transparent brokerage solutions across the Mediterranean & Global markets.**
