

Israel Spiritual Tour Testimonials:

"From the bottom of my heart, Thank You Mark Crosslin for this amazing trip! Not only was I able to see more sights than I ever thought possible, but I was also able to make the second biggest decision of my life on this trip! My now husband proposed to me on the day we visited the Sea of Galilee! What an amazing experience to be standing at the very sea where Jesus walked on the water, calmed the raging storm, preached to the multitudes from a boat, and preformed the miracle catching of fish for His disciples! Just as I was starting to take all of this in, the man God chose for me dropped a knee and asked me to spend the rest of my life with him! UNFORGETTABLE !!

In case you were wondering, the first biggest decision of my life was to devote my life to the One who walked on this water and calmed this raging sea! Understanding that these miracles are not simply stories in a far-off distant land, but are true and accurate events from history in a place that Mark can take you for the trip of a lifetime lets you know that you cannot let this opportunity pass you by!"

"Mark's planning of every detail was a continuous crescendo with each day more inspirational and deeply heart moving. His Biblical knowledge was shared in a personal way. Loving people was a big take away. The Biblical sites, teaching, very nice hotels and meals were all top notch. You will not be disappointed in attending any of his tours. God bless you Mark."

"I am a pastor, and after my trip with Mark to Israel, my teaching of the word has brought forth new appreciations, deeper understandings, and complete excitement. It is the little things that I can add to my message that can make the most difference. I think it to be mandatory that every teaching pastor visit Israel with Mark!"

"What a privilege it is to travel with Mark on his Friends and Family Tours. The experience is life changing and noticed when you return and read the Bible. The places come alive for you because YOU WERE THERE. I am so grateful to have the opportunity to go the real places and not places that have been made popular. Thanks, Mark!"

"Walking streets that Jesus walked, praying in the Garden of Gethsemane, where Jesus prayed, brings the scriptures to life. A wonderful heart touching trip every Christian will cherish in their memories."

"Mark, as I reflect on the last few days I wanted you to know how incredible the experience was. Every facet was amazing and your servant heart was very evident. So many things happened inside me on the trip I can't even begin to describe. I just want to continue to savor every aspect of the experience and to let you know that those were the best and most meaningful 5 days of my life. God bless you and thank you."

"It is an incredible experience - We came home from the second trip with Mark deeply blessed and enriched - We felt we could slow our minds and spirits down to just absorb all the second time experience would bring to us and it was just incredible - Without a doubt, not only would I recommend it, but I would gratefully go back again with a tour by Mark"
