

for the finest blend

ORION

THE WORLD OF KITCHEN APPLIANCES

QUALITY

is never an accident.
It is always the result of intelligent effort

At Orion, we take the maxim of Quality very seriously.
It is a small wonder then that our Juicers, Mixers and Grinders,
that let you enjoy the perfect blend of flavours and textures while retaining
the authentic taste of ingredients.

We use high grade stainless steel and plastic to manufacture all our products.
And an ISO compliance means, quality comes quite naturally to us.

Come, explore the world of kitchen appliances with us.

Come, explore Orion.
