## Wednesday Night Live

### Class Descriptions

#### **Disciple 1 Fast-Track New Testament**

This 12 week study will cover the New Testament, including the life of Christ, the stories of the first disciples and the early church, the letters of Paul, and the mysteries of Revelation. Through weekly readings and lessons, you will certainly learn and grow in your faith and relationships with others!

*Led by Jodi Hendricks and Cassie Warren*

*Location: Fellowship Hall*

#### **Wrestling with Doubt, Finding Faith**

Everyone has doubts. Where is God when bad things happen? Does God hear our prayers? Is there a heaven? How can we know? Often we treat such questions as the enemy of faith. But uncertainty doesn't mean our belief is lacking. Doubt can be a path to a deeper, richer encounter with God. This study will offer a safe space to explore big questions alongside others seeking to deepen their faith.

*Led by Kathy Price and Pastor Alyssa*

*Location: Conference Room*

#### **Reluctant Witness: Having Spiritual Conversations**

New research finds that Christians are less involved in spiritual conversations today than we were twenty-five years ago. As society has changed, it seems we have become more uncomfortable talking with people about our faith. What can we do about this? With original research from the Barna Group on spiritual conversations in the digital age, this study will offer fresh insights and best practices for fruitful everyday conversations.

*Led by Travis Warren*

*Location: Parlor*

#### **Saving Grace**

Saving Grace is a program to help people of faith create healthy relationships with money and possessions and how to manage their personal finances. Participants will move through six sessions covering such topics as saving, earning, giving, spending, and debt, along with helpful strategies for achieving a sustainable financial life.

*Led by Cassie Harris and Pastor Alyssa*

*Location: Parlor*

#### **24 Hours that Changed the World**

No single event in human history has received more attention than the suffering and crucifixion of Jesus of Nazareth. This study guides us through the last twenty-four hours of Jesus' life so that we might come to understand the significance of Jesus' suffering and death in a new and profound way.
