NOTICE TO DR. LEONG'S PATIENTS

While we understand there are occasions when unforeseen events may keep a person from attending an appointment, it has become necessary to enforce a new strict policy regarding No Shows and Late Cancellations.

Effective immediately the following change has been made to Dr. Leong's office policy:

1. If you are a new patient and you need to reschedule your Initial Session we require 48 hours notice. Less than 48 hours notice will result in termination from the practice and you will not be eligible to reschedule.
2. If you do not show for 2 of your appointments, regardless of the reason, you will be terminated from the practice
3. If there are 2 occurrences of your appointments being cancelled with less than 24 hours notice, regardless of the reason, you will be terminated from the practice.
4. If you are an established patient and you are scheduled for 60-minutes, we require 48 hours notice to cancel or reschedule your appointment. If you No Show or Late Cancel one visit, your following visits will be reduced to a standard 15 minute follow up.

Please keep in mind, if you already have no shows or late cancellations recorded on your account, one additional occurrence will result in termination of care.

If you have concerns about the policy change please feel free to discuss it with Dr. Leong during your next appointment.
