THE BASE OF ACE

- All participant MUST have OR 542 in their ISP or service agreement to participate. Call your case manager!
- Activities are limited to contracted members. Others may not attend. This includes family members, significant others, PSWs or providers from other agencies.
- Members must pay for their own participation fees. DHS rules do not allow G2G to fund these costs for members. While some events are free, participation fees vary based on the event.
