

Health Care Relief™

Blood/Lab Tests, Imaging Tests and Surgical Procedures

Health Care Relief™ (“Service”) uses proprietary databases, open sources, and affiliation with provider directory, search, and scheduling services to locate nearby, cash-pay providers for: (i) blood/lab tests; (ii) imaging tests; (iii) colonoscopies; (iv) upper GI scopes; and (v) bundled surgical procedures.

Applicability:

Available to all Subscribers.

Coverage:

Blood/lab tests are available in all 50 states. Over 3,000 tests/panels and urine tests.

Imaging tests are available in all 50 states. Most imaging test facilities offer CT scans, mammograms, MRIs, PET-CT scans and ultrasounds. Service will use best efforts to locate imaging facilities offering Nuclear scans, stress echocardiograms, and DEXA scans.

Colonoscopies and upper GI scopes are available in 33 states as of December 2023. States in which there are currently no providers offering cash-pay pricing for these procedures are: AK, CT, HI, IA, ID, KS, MA, ME, MN, MS, MT, ND, RI, SD, VT, WV, WY. Service will use best efforts to locate a cash-pay endoscopy facility in other states.

Bundled cash-pay surgical procedures are available in Texas and Oklahoma as of December 2023. Procedures include hernia repair, knee arthroscopy, gall bladder removal, total knee or hip replacement, hysterectomy, breast biopsy, tonsillectomy, podiatric surgeries, pain management procedures, etc. Service will use best efforts to locate a surgical center offering bundled, cash-pay pricing in other states.

DISCLOSURE

Service is NOT INSURANCE coverage, is not intended to replace insurance, and does not meet the minimum creditable coverage requirements under the Affordable Care Act or Massachusetts M.G.L. c. 111M and 956 CMR 5.00.

DISCLAIMER

DecisionPoint Health Analytics, LLC, the provider of Service, does not guarantee prices nor guarantee the lowest price for any test or procedure. Service assists Subscribers with identifying nearby cash-pay providers and with initiating scheduling in accordance with the selected provider’s scheduling protocol. Service is limited to outpatient care in the categories of blood/lab tests, imaging tests, and where available, colonoscopies, upper GI scopes, and certain bundled surgical procedures. Service is not a substitute for professional medical advice, diagnosis or treatment. DecisionPoint Health Analytics, LLC, its members and representatives are not responsible nor liable for any advice, diagnosis, course of treatment, and treatment outcome of anyone using Service.
