

Join the Mt. Hebron High School Viking Backers on Wednesday, August 30th, for a happy hour and restaurant night from 4-9pm. Come grab a drink in the bar or have dinner in the restaurant area- they have a great outdoor seating area too!

White Oak is donating a percentage of our sales to the Viking Backers so come out and support your school and this wonderful local business (they also are one of our awesome corporate sponsors).

After you are done eating and drinking simply throw your receipt in the bucket at the hostess stand and we will reap the benefits!!
