Person of Contact: Sherie Chandler, CEO

202.800.4884

sherie.chandler@dlitesolns.com

8609 Westwood Center Drive, Suite 110  
Tysons Corner, VA 22189

DUNS: 117378126 | CAGE Code: 8GTR1

## NAICS CODES

- 541519 Other Computer Related Services (Primary)
- 541512 Computer Systems Designs Services
- 541513 Computer Facilities Management Services

## PERSONAL PAST PERFORMANCE

- Over 6 years of experience working in the Middle East for the DoD with over 13 years in the IT industry.
- Successfully set up and installed multiple technical control facilities for strategic communications in Iraq, Syria, Jordan, Saudi Arabia, and Egypt for U.S. and Coalition forces.
- DOD 8570 IAT III Certifications.
- Saved over \$1.4 million in bi-yearly licensing by implementing a windows based PKI infrastructure that met a STIG requirement mandated by DISA.
- Created a NIPRNET and SIPRNET Certificate Authority server environment based on NETCOM's and DISA regulations. This was configured to enhance security on the network by only allowing workstations to use certificate-based 802.1x based authentication. This also allowed workstations to use SCCM to use certificates as a trusted source to patch workstations and Windows-based servers.
