FROM THE WINEMAKER

The Malbec vineyards have flourished in the Clarksburg climate and have produced a wine with a beautiful aroma of wild blackberries, raspberry, and chocolate. This California Malbec has many of the traditional Bordeaux characteristics, but unlike his brother's on different continents, the Heringer Estates Malbec has a velvety finish that softens instead of bites.

PAIR WITH

Pork tenderloin with balsamic plum reduction and portabella mushrooms

FUN FACT

Malbec is the 6th Bordeaux wine grape variety better known for being from South America than from France.
