FAMILY VINEYARDS & WINERY

## 2022 ARTISAN SERIES: GENERATIONS

*From the branch, a vine reaches, wraps, and stretches  
towards the sun. The vine is wild and free.  
It blows in the wind with delight.  
A farmer trains the vine with tender care into a canopy.  
With patience and a little grace, the canopy protects  
the fruit of the future for generations to come.*
