

# Ham Radio Special Event Station

*William Becknell Heritage Days ARC May 23rd - 24th & Sep 12th - 13th 2020*

**Strang Park - Overland Park, Kansas 88th Ter. & Farley**

**Commemorating the founding of the Santa Fe Trail Sept 1st 1821 & May 20th 1822**

=====

On the Friday before the event in the afternoon at 3pm we will be meeting at Strang Park to set up some antennas in the field. On Saturday at 7am we will finalize the setup and at 9am CDT we will start our transmitting. We plan on a full 2 day event from 9am Sat to 5pm Sunday. Both Voice and CW operators will be needed and you can sign up for a time slot on the web site. A pavilion is available and we will set up an additional tent near the triangle of trees. We are looking forward to a good turn out of people from the community to learn about the Santa Fe Trail and Ham Radio. Help get out the word to your friends and fellow
