Companies Represented

www.SuperSystems.com

Oxygen Probes • Furnace controls & instrumentation
Atmosphere analyzers • Flow meters

www.Wirco.com

Rod & cast heat treat baskets • Internal furnace alloy
Furnace fans • Centrifugally cast radiant tubes

www.AFC-Holcroft.com

Heat treat Generators • Batch furnaces • Belt furnace • Pusher
Furnaces

Custom Electric Manufacturing Co.

www.Custom-Electric.com

Heating elements for electric & gas furnaces • Bayonet heating
elements • Rod heating elements • Silicone carbide heating elements

www.SolarMFG.com

Heat treat vacuum furnaces • Brazing furnaces • Hot zone
rebuids

www.LumsdenBelting.com

Metal mesh oven/furnace belts • Furnace curtains

www.SouthTekSystems.com

Manufacturers of Nitrogen generators for the heat
treating industry

www.HTSU.com

Instrument Calibrations • Pyrometry • Furnace rebuilds

www.HyperAlloys.com

Corrugated muffles • Retorts • Fabricated • radiant tubes
Corrugated boxes

www.InexInc.net

Silicon carbide radiant tubes

www.Procedyne.com

Fluidized Bed Heat Treat Furnaces

CeraMaterials

www.CeraMaterials.com

Graphite insulation & fixtures • Ceramic insulation CFC's
Graphite foil • Moly & tungsten products

The Name Behind the Standard Since 1936

www.KingTester.com

King Brinell and Ernst by King Rockwell Testers • Microscopes
Test Blocks
