Preschool

September 2025

Monthly Curriculum ABC

Welcome

Welcome to a new year at Discovery Day Preschool. We have a lot of fun; new adventures planned this year. We are also looking forward to getting to know your family better. We expect that as we work together this year, you will see positive improvements in your child's educational progress and self confidence. Thanks for the trust you have placed in us. If you ever have a concern please let us know and we can work through it together.

Fun At Home

SORT MAGNETIC LETTERS with the children. It sounds so very simple, but it really helps kids to focus on how letters are alike, how they're different, and what shapes they are comprised of. Ideas on how to sort the letters – by color, uppercase versus lowercase, letters with holes versus letters without holes, letters with straight lines versus letters without straight lines, etc.

Grandparent's Day

We want to get to know our Grandparents better. Each child can invite his/her Grandparents to join us at school for a trip down memory lane. We would like each Grandparent to bring or share a memory from their childhood. (example: a picture, a game, a song, a favorite candy, or a favorite story.) If you grandparents cannot make it a parent or other family member can come and share a story.
