

Letter, Number, Color and Shape Bag Instructions

Your child has the opportunity to bring home a bag to fill up with fun things to bring back and share with the class. This is like a big show and tell. Here are some examples and ideas of items or activities you can bring to share. This is *optional* and you can do as much as you would like. Please don't feel any stress or need to do more than you are able.

Snack – it could be something that starts with the letter you are assigned, or be in the shape or color of what your child is assigned.

Visual Aids- Have your child help you find different items around the house that start with the assigned letter, color, shape, or number. If you have the number bag for example, the letter 3, you could bring 3 of their favorite toys, like cars or dolls.

Large Group Activity – This would include an activity that the class can do together as a large group. Ideas might include a game, song, movement activity, or a story. Please remember to keep it simple. Please no crafts or art projects.
