Parent Show and Tell

We would love to have parents volunteer to come and talk to their child's class. The kids enjoy having you there and their class would love to know about your work, hobbies, family, passions or you can even just read a book to them. We will have a sign up sheet if you are interested and you can come the last 10 minutes of class to "show and tell" about yourself and/or your family.

Thank You

Thank you to everyone who helped last month with the field trip, and the Halloween Party.
