(C) Hope Christian Church's Ministries

More than 34 people have been reached with Christ. Some respond the gospel, but not at the point of conversion. At least twice in a week, the two church workers used to go outside for evangelism. Some time when God provide the funds, we used to do group outreach evangelism by inviting some Buddhist women to come to the church and taught on "How to get save?" We give them some food after we preached. This is one of the main ways we are reaching Buddhist.

Our daughter church is operating English language teaching program for the Buddhist children. The purpose of the program is to reach them with Christ by teaching English language. There is a new a lady converts in this month. Baptized by Pastor Aung Lwatt.

- (1) Pray for the Church's leaders so that they will get more wisdom and knowledge.

- (3) Pray that God will open more doors for expanding the ministry.
