**(D) Hope Christian Church's Ministries**

The Church activities is sharing the gospel in culturally sensitive ways, personal witnessing, and discipleship. Church focuses on church planting and nurturing new believers, especially in unreached villages and urban mission fields. God enabled to produce a new brand church in two places in this year. Currently there are three brand churches across the country.

We, at the main church; Lwin Kwe (Asst. Pastor) and Mana Chaing (Evangelist) are doing their best to reach Buddhist people. Every week they go outside at least twice to evangelize and every Sunday after the church service they invite Buddhist people to come to the church and taught them about "How to get save?" Among them three women invites us to visit their houses and have a prayer and learn more about the word of God. We did it, they were full of joy.
