

In early 2020, COVID-19 became a household term. It dominated the news as well as our lives resulting in unexpected changes and profound loss.

This pandemic has impacted everyone in some way and it also reminds us of how lucky we are to live in a town like Allendale. Right now, many of our community members are in need while others are looking to lend a helping hand.

We are a group of Allendale citizens who came together to create Allendale Circle of Support, a non-profit organization.

Our mission is simple: Help Allendale residents who are struggling financially while simultaneously supporting local businesses.

Donations are used to purchase gift cards from our local businesses and restaurants which are then distributed to residents in need.

If you need help, visit the [Allendale Circle of Support](#) website. All requests are kept strictly confidential.

If you are able to contribute to the Circle of Support, please visit the website or the [GoFundMe](#) page to donate.
