SAN DIEGO'S FUTSAL LEADER IN PLAYER DEVELOPMENT SINCE 2011

619Futsal, established in 2011 by Sean Bowers and Mike Gentry, is the largest futsal league in San Diego. Drawing players from all regions of the County, 619Futsal started the futsal revolution in Southern California and continues to be the leader of the sport in the region.

We provide a forum for players to learn the game of futsal in a non-competitive environment. Our focus is on player development, skills, and teamwork, not trophies! Over 2,000 players participate in our youth leagues annually.

In June 2018, 619Futsal was awarded USYF Academy status and is the only USYF-sanctioned futsal Academy in Southern California. Since its inception, the Academy has served over 500 youth players.

619Futsal Academy is very excited to continue to enhance our players' technical proficiency, tactical understanding in small group settings, decision-making in a fast-paced environment, and ability to make quick key adjustments throughout the course of a game. We provide three different programs for young soccer players:

YOUNGERS PROGRAM (U6-U8)
OLDERS PROGRAM (U9-U15)
HIGH SCHOOL PROGRAM (U16-U19)
