BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE VILLAGE OF
CENTERTOWN, MISSOURI, AS FOLLOWS:

SECTION 1. A non-exclusive franchise, right, permission and authority is hereby
granted to, and renewed and vested in Union Electric Company d/b/a AmerenUE, a Missouri
corporation, its successors and assigns, hereinafter called "Company", to construct, reconstruct,
excavate for, place, maintain, operate, and use all equipment, facilities, devices, materials,
apparatuses or media including but not limited to ducts, lines, pipes, hoses, cables, culverts,
tubes, poles, towers, wires, conduits, conductors, manholes, transformers underground vaults,
switchgear, capacitors, receivers, and transmitters, with all necessary or appropriate
appurtenances and appliances in connection therewith, in, along, across, over and under the
streets, roads, alleys, sidewalks, squares, bridges and other public places within the corporate
limits of the Village of Centertown, hereinafter called "Village", as now fixed and as hereafter
extended, and areas dedicated to the Village for public utility use, for the purpose of furnishing and distributing electricity and other services within said Village and in territory adjacent to said Village, and for the purpose of transmitting electricity through said Village; all such equipment, appliances and apparatus to be installed and maintained with due regard to and the rightful use by other persons, with vehicles or otherwise, of the streets, roads, alleys, sidewalks, squares, bridges and other public places, and areas dedicated to the Village for public utility use, and Company's exercise of the rights, permission and authority hereby granted shall at all times be subject to proper regulation by the Village in the exercise of its police powers.

SECTION 2. All facilities of Company in said Village shall be installed and maintained in accordance with the applicable rules and regulations of the Missouri Public Service Commission. The rates to be charged by the Company for electric service rendered under this Ordinance shall be such as are approved from time to time by the Missouri Public Service Commission and/or such other duly constituted governmental authority as shall have jurisdiction thereof. All Rules and Regulations of the Missouri Public Service Commission applicable to the rights, privileges and authority granted by this Ordinance, in the event of conflict herewith, shall govern.

SECTION 3. In order for Company to render efficient and continuous electrical service, it will be necessary for Company to trim the trunks and branches of trees along or over the streets, sidewalks, alleys, avenues, squares, bridges and other public places in said Village, and areas dedicated to the Village for public utility use, wherever the same are likely to come in contact with its equipment; therefore, Company is hereby granted the right to trim such trees, including the trunk branches, and all parts thereof, so as to enable it to erect and maintain its
equipment in a regular and consistent form and manner and to enable it to provide the most efficient and continuous service that the circumstances will permit, provided, however, that Company shall exercise proper care and discretion in cutting and trimming said trees and all parts thereof. Company shall provide notice to the mayor of the Municipality or his or her designee of vegetation management activities no less than 21 days nor more than 90 days before the activities begin. Such notice shall include a description of areas where vegetation management activities will occur, and shall be deemed to be notice to all affected customers of Company and property owners.

SECTION 4. Company shall pay to said Village on or before the last day of January, April, July and October of each year that this franchise remains in effect, an amount equal to five percent (5%) of its gross receipts, as herein defined, from sales of electricity delivered by it within the corporate limits of said Village for the preceding year.

All payments made hereunder will be reduced by the total payments made by Company for the applicable periods of time or portions thereof on account of any tax levied or imposed by said Village upon the business of selling electricity or upon the proceeds of sales of electricity or upon the right or privilege of engaging in such business within said corporate limits, whether said tax be designated as an occupation tax, a license tax, or a gross receipts tax or otherwise, but not including a sales tax levied or imposed pursuant to the Village Sales Tax Act.

With each franchise payment hereunder, Company shall file with the Village Clerk of said Village a sworn statement of the gross receipts for the applicable period and also a sworn statement of all payments made by it for such period on account of any of the taxes enumerated above in this Section. The term "gross receipts" shall mean the aggregate amount of all sales and
charges that result from Company’s business of supplying electric energy or electricity
transmission and distribution service to customers within said Village during any period less
discounts, credits, refunds, sales taxes, state or county taxes on electricity distribution service,
and uncollectible accounts. Gross receipts derived from furnishing of such sales and charges to
the Village or other governmental agencies within the Village shall not be included in the gross
receipts nor shall the franchise charge be due on such gross receipts. In the event retail wheeling
of unbundled electric energy becomes available in the Village (i.e., retail customers are permitted
to choose their suppliers of electric energy), then Company and Village agree within three (3)
months of the availability of retail wheeling ("the Negotiation Period") to revise the definition of
gross receipts to be consistent with law and regulation in effect at that time and to eliminate any
provision that prevents Company from competing equally with other potential suppliers of
electric energy in the Village. In the event the Company and Village cannot agree upon a revised
definition of gross receipts within the Negotiation Period, this Ordinance shall automatically
terminate. The Negotiation Period may be extended at any time prior to termination by written
agreement between Village and Company.

SECTION 5. The rights, privileges and authority hereby granted shall inure to and be
vested in Company, its successors and assigns, successively, subject to all of the terms,
provisions and conditions herein contained, and each of the obligations hereby imposed upon
Company shall devolve and be binding upon its successors and assigns, successively, in the same
manner.

SECTION 6. This Ordinance shall confer no right, privilege or authority on Company,
its successors or assigns, unless Company shall within ninety (90) days after due notice to the
Company of the enactment of this Ordinance, file with the Village Clerk an acceptance of the terms and provisions hereof; provided, however, that if such acceptance be not so filed within said period of ninety (90) days, all rights, privileges, and authority herein granted shall become null and void.

SECTION 7. This Ordinance and Franchise, upon its enactment and its acceptance by Company, as hereinbefore provided, shall continue and remain in full force and effect for a period of twenty (20) years from the filing of the Company's acceptance.

SECTION 8. The Village acknowledges that Company is vested in rights, permissions and authority independent of this Ordinance. Neither acceptance of this Ordinance nor compliance with its provisions shall impair in any way or waive any right, permission or authority which Company may have independent of this Ordinance. In addition, neither use by Company of public property or places as authorized by this Ordinance nor service rendered by Company in said Village shall be treated as use solely of the rights, permission and authority provided for by this Ordinance and in no way shall indicate non-use of any right, permission or authority vested in the Company independent of this Ordinance. In the event the Village vacates any streets, avenues, alleys, easements, rights of way, bridges or other public places during the term of this Ordinance, Village agrees to reserve unto Company the rights, privileges and authority herein given and granted to the Company in upon, along, over and across each and all of such vacated premises.

SECTION 9. All ordinances and parts of ordinances in conflict with this Ordinance or with any of its provisions are, to the extent of such conflict, hereby repealed.
SECTION 10. Subject to the requirements of Mo. Rev. Stat. § 67.1830 thru § 67.1846 (2000), this Ordinance shall not relieve Company of the obligation to comply with any ordinance now existing in the Village or enacted in the future requiring Company to obtain written permits or other approval from the Village prior to commencement of construction of facilities within the streets thereof, except Company shall not be required to obtain permits or other approval from the Village for the maintenance and repair of its facilities.

SECTION 11. If any provision of this Ordinance, or the application of such provision to particular circumstances, shall be held invalid, the remainder of this Ordinance, or the application of such provision to circumstances other than those as to which it is held invalid, shall not be affected thereby.

SECTION 12. If, at any time, during the term of this Ordinance, Village grants or renews a franchise to another entity or person for the purposes of transmitting, furnishing and distributing electricity for light, heat, power or similar services, and Company reasonably believes the other entity or person is granted more favorable treatment, terms, or conditions, then Company shall notify Village of such treatment, terms, or conditions. Upon receipt of such notice, Village and Company shall negotiate in good faith to amend this Ordinance to provide Company such more favorable treatment, terms or conditions on an equivalent basis. Such amendment shall take into consideration all circumstances that distinguish between Company and entity or person receiving the more favorable treatment, terms, or conditions.

SECTION 13. Except as provided in Mo. Rev. Stat. § 67.1840 thru § 67.1846 (2000), Company shall be exempt from any special tax, assessment, license, rental or other charge during the term of this Ordinance, on all poles, conductors, wires, cables, conduits, equipment and other
SECTION 14. This bill shall take effect and the rights, privileges and authority hereby granted and renewed shall vest in Company upon its filing of an acceptance with the Village Clerk according to the terms prescribed herein. The Ordinance shall be subject to approval or disapproval of the voters of this Village only upon the terms and conditions as provided in Mo. Rev. Stat. § 88.251 (2000). If the Village Clerk does not receive within thirty days after the passing of this Ordinance a petition sufficient in form and signed by the requisite number of voters, it shall be a valid and binding franchise of the Village upon the filing of an acceptance by the Company according to the terms prescribed herein and shall remain in full force and effect and cannot be repealed or amended.
