Village Clerk presented to the Board a budget worksheet for the Village which included FY 2016 and FY 2017 income and expenditures as well as FY 2018 to date income and expenditures and forecasted totals for year end, May 31, 2018.

Board members reviewed the Village's current and past budgets line by line and developed a budget for FY 2019. The FY 2019 Village budget reflects a deficit of \$59,320, primarily due to the three carryover items. This deficit will be covered by funds currently available in the Village's operating fund.
