BOARD OF TRUSTEES SPECIAL MEETING
SEPTEMBER 19, 2023**

Debra Baker
Heather Hunger

LONG-TERM INFRASTRUCTURE PLANNING DISCUSSION

Chairman Brown told the Board that due to not receiving any additional funding, the \$5,000,000 already approved by the Federal government appears to be all the Village will have to install a wastewater system. The Board discussed the options at this point to address the wastewater needs of the Village. The Board agreed that a public meeting needs to be scheduled to get input on where the community wants to go with continuing to pursue a wastewater system; an item will be placed on the agenda for the September 26, 2023, regular meeting to set a date for a public meeting.

There being no further business, Chairman Pro Tem Baker made a motion to adjourn, Trustee Hunger seconded. Motion passed on voice vote.

Meeting adjourned at 7:00 p.m.

The next regularly scheduled meeting is scheduled for September 26, 2023.
