

President's Update

by Dave Manseau

With 2025 behind us it's time to set our sights on 2026.

I would like to thank everyone for a great year. We had a few hiccups in the beginning but things smoothed out pretty quickly.

We have plans for improvements in the club and on the grounds and as we all know things do not happen by themselves, we need volunteers. It's easy to say "Let someone else do it." but there isn't any pride in that. Help out and be proud of yourself and your club.

If you have any ideas, suggestions or concerns please let me know and I will address them to the best of my ability.

I hope to see you at the club.

Membership Update

by Eddie Saksa

Hello Members, first and foremost I would like to thank Charlie Dautrich and Carol Messier for serving on the board and giving the club so much of their time. Secondly I would like to thank everyone who came and voted. Even though I ran unopposed I am grateful for the opportunity to serve as Membership Chairman again.

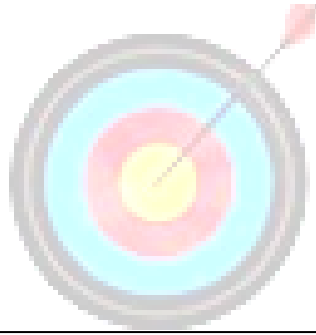

Spread the word, we will be opening the books and making new members as of the February General Assembly Meeting. As always if you have any concerns or questions don't hesitate to reach out either by phone, 508-450-4158 or Singletarycommunications@gmail.com.

It's your club!
