

President's Update

-By Bill Ahearn

Hello everyone, I hope you had a nice Easter. I want to thank everyone that came out to our Grounds Clean Up Day. We had a record number of members show up to help, the most we've seen at any clean-up day. The hard work is appreciated, and the grounds look great! Remember, to do your part to keep our club clean. Please call me if you have any questions at 508-400-5986.

Vice Presidents Update

Greetings Everyone,

We've started renovations in the archery building. The building has undergone a good cleaning, painting, lighting and new ceiling tiles with more to come.

Membership Update

-By Kristine Smith

Hi everyone, I hope you are well. We accepted 43 new members at the March meeting and 2 of them were junior members. We still have a few openings available for new members who have sponsors. If you have anyone you are looking to sponsor, please get their applications into me ASAP.

I will be pulling 10 membership cards at the April 12th General Assembly meeting; the pot is worth \$125. You must be at the meeting to win except for the downstairs bartender.

I mentioned last month that I will be working on realigning member numbers based on years of membership for 2025. Members who have 5+ years of membership will have a number under 499 with members under 5 years of membership having numbers over 500. I understand people might have a number that means something to them or was handed down from a family member, these numbers will be honored as part of the realignment, and many are already noted in our membership system.

Have you had an address, email, or phone number change? If so, please reach out to me at singletarycommunications@gmail.com or call/text me at 978-804-3692 with any questions.

Helpers at the grounds clean-up day! Thanks everyone for your help!
