

Meet the artists, creators, makers & doers...

1. "Cycling Adventure"

Sue Chatfield

43 Detour Rd, North Wangaratta
Inspired by the popular Murray to Mountains Rail Trail. The North Wangaratta and surrounds bike riding adventures provide the perfect opportunity for adults and children to enjoy the scenery and great outdoors. Constructed from all old, recycled materials including the iron from the old Bowser/North Wangaratta Hall.

2. "Gate Sign" Wang Clay Target Club

27 Detour Rd, North Wangaratta

We have chosen the club's logo and whilst from an artistic perspective it could hardly be considered allegorical or symbolic, the piece's actual construction does represent the club's strongly held belief in community engagement.

3. Vine Hotel

27 Detour Rd, North Wangaratta

4. "Celebrating Rural Life"

Jess Richardson

24 Detour Rd, North Wangaratta

A celebration and recognition of the hard work and manual labour of our farmers. The sculpture includes history of 24 Detour Rd occupying an old blacksmith shop. Featuring free hand welded barbed wire, old horse shoes found on site, and old farming tools salvaged locally.

5. "Latham's Snipe"

Dianne Glenister

12 Detour Rd, North Wangaratta

These birds are Latham's Snipe - a wading migratory bird that spends each year partly in Japan and partly in Australia. The piece is a call to attention of our shrinking wetlands, and as a result, the threat to these and other wetlands birds. Latham's Snipe visit Winton Wetlands each year.

6. Rebekka Sinclair

12 Grossman Dr, North Wangaratta

Coming Soon

7. "Pelican"

John and Jan Booth

44 Boorhaman Rd, North Wangaratta

Our pelican made from recycled parts, plough discs, garden rake and a shovel to name a few pieces, was created by Sam Anderson. Pelicans are found in the lagoons and waterways around North Wangaratta.

8. "Kookaburras"

Mary & Joe Caruso

78 Boorhaman Rd, North Wangaratta

My art piece features Kookaburras which I admire for their laughing-like call commonly heard over the local landscape.

9. "Chatsworth Farm Gate"

Marg & Clive Pullen

77 Boorhaman Rd, North Wangaratta

Featuring indigenous and early European settlement themes. A vineyard from the late 1800s, a flower garden with insects, Jareelyallock-Reedy Creek and Blue Fairy Wrens- Mittamitta.

10. "Cormorant"

Rosie and Sandro Camillo

144 Grossman Dr, North Wangaratta

A cormorant, drying it's wings in the sun after diving for fish. With many to be seen around the local waterways, Wangaratta is the indigenous name for the area and translates into 'the long neck of the cormorant'. Made from corrugated iron that was rescued from the roof of the old North Wangaratta/Bowser Hall.

11. "Stockman"

Sue Enders

145 Grossman Dr, North Wangaratta

This is a sculpture of the stockman and his gear beside the campfire. A tribute to their contribution to this country. Primarily made from cement over wire.

12. "Remembering Bowser - Peechelba East Railway"

Barrie & Pam Vowles

204 Naughtin Rd, Boorhaman

Opened on 31st October 1927. Passenger service ceased in 1947 leaving a goods only service, this train only operated for seasonal Wheat & Superphosphate traffic from November to May. Steam locomotives continued to operate until 1965.

13. "Old Boorhaman Golf Club"

Helen Southam

38 Keat Ave, Boorhaman

Located on one of the fairways of the original Boorhaman Golf Course. The gate was used by golfers walking from the sand scrape to the tee off on the next fairway.

14. Boorhaman Hotel

1519 Boorhaman Rd, Boorhaman

Coming Soon

15. "Robyn's Little Farmyard"

Robyn Cameron

1610 Boorhaman Rd, Boorhaman

Farm animals and birds made from recycled tin (including roofing from the North Wangaratta Bowser Hall). Old mower blades, gates from a farm in the Boorhaman area and a gate from very dear friend.
