Long Bio

Derek is the 2x International Best-Selling Author of "Stop Stalling Start Selling", "Human Being Human". He is a TEDx Speaker, Leader and Philanthropreneur whose practice focuses on Resilience Development and Process Implementation.

His award-winning approach to sales excellence is driven by a team-centered approach of 'Strength Through Vulnerability'. His relentless passion for evangelizing the 'Human Journey', is both inspiring and contagious.

Derek received a Bachelor of Arts in Economics (BA Econ) from Simon Fraser University and is a Certified Professional Coach (CPC) from World Coach Institute. Corporately recognized in 2018 as the National Sales Force Grow Leader, among many other accolades for sales excellence, he also attained his LLQP Full, MFDA, Labour Sponsored Fund and Branch Managers Course certifications.

A seasoned Sales veteran with a Retail, Automotive, Food-Service and Financial Services background, Derek has led teams to success by igniting passion, simplifying solutions, and integrating processes.

He is the Chief Inspiration Officer of Sacred Line Consulting, a Multi-National Coaching and Consulting firm, President of "Every Day Human", "CEO of Polar Cold Caps Canada" & Founder of the "Kindness Cures Foundation".

Derek spends the majority of his education development time, studying Resilience and Hero Culture, working on strategies to minimize the amount of time that life interferes with living.

Derek lives in Sun Peaks, BC, Canada, with his wife and 2 children. They love the outdoors, know what is sacred to them, and focus on lifestyle integration. His positive, essential approach is infectious, and always 100% authentic.

Sacred Line

Ruthlessly resilient humble and honest, living instead of merely existing. Evangelizing the human journey.
