www.bayoaksquiltguild.com We have a web site thanks to Bobbye and Gene Schloegel. We have had more than 300 hits on the site so far. Gene took some photos at our last meeting and they are on the site now.

Welcome to our new members Melba LaCaze, Bobbie Dye, Bobbie Yaniga and Kathy Newton.

Eye of Katrina Quilt We will be taking sealed bids on the Eye of the Storm quilt at our Feb. 8th meeting and opening them that night. Please place your bid in a sealed envelope and give to Lou Ada Hanson. The min. bid is \$200.

GSQA Teacher Therese Springer passed around a paper listing the GSQA classes that are available and taking a count to see which class is wanted most by our members. From the results of that she is going to schedule a class on 'Beginning Hand Appliqué' and "64 Compass" a paper piecing class, as soon as she can make the connections with the GSQA teachers. Watch for her report.

Diamondhead News Mary Ellen and Kay arraigned for Gloria to send an article to the Diamondhead News about our Katrina Quilt. It should be published soon.

Class Instruction Linda Favre did a great job of teaching us how to make a Cathedral Window block. Many made all four squares and started the color block in the middle. Linda promised to bring her king size Cathedral window quilt with tiny Cathedral window blocks for us to see. If future teachers can get their paperwork to me digitally then I can send it with the newsletter and mail only to those without internet service. Bettye Buckley teaches a class on February 22nd and Therese Springer on March 22nd. Our classes have been moved to the last meeting of the month with a business meeting/quilt time on your own or ask for help, at the first meeting of the month. Bettye Buckley is going to tell us a thing or two about what we need to do for her class so bring your hand outs from her.

Annual Dues are now \$15/twelve months and \$7.50/six months, payable at the first meeting in January. There will be membership forms available at each meeting. A new membership list will be compiled and sent out soon.

Show and Tell WOW! We sure had a good showing this time and the fun part was Elaine Griffith and Jane Prestridge showing us their first pieced quit, Betty Buckley's large Cathedral Window quilt, Bobbie Dye's Baby Bag, Therese Springer's Mardi Gras Quilt, Solveig Wells latest Katrina quilt made of rescued ties and as always beautiful work from Kay and Mary Ellen.

Sew long, Gloria
