Treasurer's Report for 2/29/08

Full report will be given at the business meeting.

GSQA Classes **Saturday, May 3, 2008.** Our class will be "Fractures/ 3-D Blocks" taught by Marilyn Rose.

Show and Sale on April 20 Kay Buccola, Melba LaCaze, JoAnn LaLone and Therese Springer are the committee for our first quilt show. It has been named "A Kaleidoscope of Quilts" and a design for a flyer is being worked on. More information is needed on how many people want to sell items and how many items before a decision is made on the cost of doing so. Please bring your info to the business meeting. It has been decided that the personal sale items will be on an honor system with 10% of the sale going to the guild. Members will also have to keep track and turn in tax on their items to Chris. Hours of the show will be **11:00AM to 3:00PM**. We will need to arrive to set up on the morning of the show..at **8:00AM**. It was decided that we would all wear red t-shirts with our name tags. We need a volunteer to check out the price of a good t-shirt from Walmart and then get orders, buy and bring to meeting so we all have the same color red on that day....please speak up if you have the time to do this.

Quilt Retreat Melba has information on the Beckwith Camp and Conference Center in Fairhope, AL and also on Percy Quinn State Park in McComb, MS and is also getting info on the Paul B. Johnson State Park. The options of catered meals/doing our own breakfast/lunch are being studied. More information as is learned.

Blue Light Special Quilt The quilt is complete and was shown at our meeting where some members expressed interest in putting in a bid for it. Gloria quilted it and Solveig put the binding and the sleeve on it. Gloria will make a label and the quilt will be shown in some public places prior to the show

March 13th Meeting Chris Jarrell will conduct the meeting and the red plaid quilt will be brought to the meeting to be worked on. Gloria, Therese, JoAnn and Melba will all be at GSQA Seminar in Baton Rouge.
