Kaleidoscope of Quilts Show We had a wonderful and very successful show thanks to our committee of Kay Buccola, Melba LaCaze and JoAnn LaLone. The beautiful Blue Light Special quilt was purchased by a silent auction by Jane Mayfield who now has it hanging in her entrance hall...thanks so much and may you get many years of enjoyment from it. Thanks so much to all members that did so much to make this happen. Your beautiful quilts and helping hands are what made the show such a success.

May Birthdays Best wishes to: **Bill S 5/05, Kay B 5/25 and Mary Ellen H 5/27.**

This is a bargain for an all day class!

Ugly fabric challenge Solveig Wells suggested that we have an ugly fabric challenge and after discussion by the board it was decided to do so. Tentatively the "ugly fabric" will be purchased and everyone that wants to participate will buy a fat quarter of it and use it in a very prominent way in their quilt. All rules and information for this challenge will be in your next newsletter.

Retreat Melba is compiling information about a place for our retreat and news will be forthcoming.

New Business Our in house classes will resume, MQA gathering in October and a special function for our guild in January will all be discussed at the business meeting.

Don't forget to bring your Show and Tell
