Treasurer's Report

There were no transactions as of 06/30/14.

Block of the Month

July blocks are "Oh, Susanna" and "Pale Star", directions will be handed out at the business meeting.

Hope Haven quilts

Remember to get a Bay Oak's label to attach to your quilts or partner with someone who likes to hand sew. Also, the guild has a bolt of colorful striped fabric and a bolt of muslin to be used for these quilts.

Mark Your Calendars

October 3-5	Pine Belt Quilters Fiber Art & Quilt Show, Lake Terrace Convention Center, Hwy 49, Hattiesburg

Project night – July 24

Gloria Burlette has a very interesting project planned for us. Check out supplies/directions on the next page. I'm looking forward to learning how to use "Bobbin Work" to create interesting details on a design.

Sunhat Suzette

Sunbonnet Sue went to Paris as an exchange student and came back as Sunhat Suzette Ohh la la!

An original design paper doll machine appliqué class by Gloria Burlette

You will need:

- 1. Sewing machine in good order with free motion (darning foot) and embroidery foot or appliqué foot. Please know your machine and bring your usual sewing kit.*
- 2. Embroidery or sharp needles size 11 or 14.*
- 3. A couple of fat quarters of contrasting colors that are solid or read solid plus light beige or skin color as you choose and small pieces of fabric for your hat and clothes. The extra base fabric will be used to practice your stitching before working on Suzette.*
- 4. Fusible web such as Steam a Seam, Wonder Under, etc. Make sure it's a sewing product not craft. You will only need one sheet 8 ½ by 11.*
- 5. Regular thread in your chosen skin color and also thread to match your clothes. You can also bring decorative thread, metallic with a metallic needle, monofilament thread and heavy thread for bobbin work.*
- 6. After you design her clothes you can cut Suzette apart to use as a pattern. Cut exactly on the line and you will have legs, body, arms/back and hat. You will need to make your own pattern for her clothes and will use tracing paper for that.*
- 7. Bring stabilizer for your amount of base fabric.*
- 8. Bring permanent markers, pencil and eraser, paper scissor.*

Pre-class instructions:

Cut 11"x11" out of one of the fat quarters as a base for Suzette, I suggest the darkest one.

Cut your Steam a Seam in half lengthwise reserving one piece for Suzette. If you have never used fusible web then you might want to wait for the class to go any further.

If you are familiar with fusible then remove the paper backing on one half and fuse it to the fabric left over from cutting the base square. You will be given a design to cut for a practice piece for your stitches.

Website

Check out our website and Facebook page. These are good sources to find additional information to that printed in the monthly newsletter. Past and present newsletters can also be found on the website along with Show and Tell photos.
