**Treasurer's Report** Chris Jarrell reports on our bank balance as of 9/1/07. A complete report will be available at the business meeting on **Sept. 13<sup>th</sup>**.

**Web site** Our web site is back up and running thanks to Gene, also many thanks to Gene and Bobbye for financing the web site for the coming year. They paid the fee for it and do a wonderful job for us.

**Sept and Oct classes** Therese Springer taught a Raggedy Rose pattern on August 23<sup>rd</sup> and Chris will teach a duffle bag at our **Sept. 27<sup>th</sup>** meeting. It requires two yards of pre-quilted fabric and a 20" long sport zipper. If you can't find the pre-quilted fabric you want, you still have time to quilt your own. Lou Ada will review binding and demonstrate curved piecing at the **Oct. 25<sup>th</sup>** meeting and you will have time to work on your unfinished projects.

**Summer Squares** I was very surprised to win the drawing for the summer squares and have accepted the challenge. I've been thinking of ways to use the 24 blocks and plan to be finished by the Christmas party. Chris, LouAda, Therese, Kay and Bobbye have been a great help to me in the layout.

**Show and Sale** Kay has paid the rental for the room for our Show and Sale at the Spring Fling on Sunday April 27<sup>th</sup>. This gives us plenty of time to get prepared. Kay is the chairperson and will have a sign up sheet in January for committees and workers.

**Field Trip** Two cars of fabric hunters spent a Saturday at quilt shops in LA and all came back with fabric to add to their stash. It's an adventure to get to Mama's but worth it when you get there.

**Christmas Party** Xochilt has volunteered her home for our party on December 13<sup>th</sup>. She will form a committee to help her and everyone will be assigned side dishes. Thanks so much Xochilt. Instead of presents being swapped we will donate money to the VA Hospital for sweat suits and each person will bring \$10 worth of travel size personal items such as toothpaste, etc. in a plastic bag inside a gift bag.

Please notify me of a change in email or physical addresses in order to receive the newsletter. Any photos that I take of guild activities can be downloaded and printed from the web site. Bobbye reports that we have had 1600+ hits on the web site.

### **Don't forget to bring your Show and Tell**
