Mystery Quilt, Step #2 Directions

Step 1:

Cut sixteen 3 ½" squares from your **PRINT** fabric
Cut eight 3 ½" x 6 ½" rectangles from your **DARK** fabric.

Mark diagonal lines on the back of your 3 ½" squares. Place these squares right sides together at each end of your **DARK** rectangles. Sew just outside the diagonal line and press to the corner. Makes eight flying geese.

Step 2:

Cut sixteen 3 ½" x 6 ½" rectangles from the **DARK**.
Cut thirty-two 3 ½" squares from the **NEUTRAL** fabric.
Following directions in Step 1, make sixteen flying geese units.

Step 3:

This step will make part of the border. If you are worried about having enough neutral fabric or you wish to wait and see what you want as a border, you do not have to do this step now.

Cut thirty-six 3 ½" x 6 ½" rectangles of your **MEDIUM** fabric.
Cut seventy-two 3 ½" squares from your **NEUTRAL** fabric.
Again, following the directions of step 1, create thirty-six flying geese units in the **MEDIUM** and **NEUTRAL** color ways.
