Hurricane Katrina Program - August 29, 2013

Many of Solveig's quilts were displayed in the library at the Gulf Park campus of the University of Southern Mississippi in Long Beach. The event culminated with a program on the anniversary of Katrina's landfall on the Mississippi Coast. The quilts and the hurricane history of the five generations of the Boggs family from Long Beach were the topics of the program. Solveig's husband, David Wells, presented a short profile of Solveig and her quilts. He discussed how passionate and driven she became about quilt making after the storm when she vowed to create 52 quilts in a year. She achieved that goal and went on to produce many more quilts in her lifetime. He mentioned that she was a member of Bay Oaks and asked the Bay Oaks members to stand and be recognized. We were well represented, with at least 12 members present. It was great to see David again and to remember our friend Solveig and the beauty and memories she created from scraps left behind by that terrible storm.

Program Night - Christmas Ornaments with Sue Rountree – September 26, 2013

The program will be a demonstration by Sue Rountree on how to make the beautiful star ornaments she brought for Show and Tell in July. She will provide kits for us to use. There will be a small fee for the kits. We will receive more information at the business meeting.

**MERRY
CHRISTMAS**

Looking Ahead

The October 24 program will have Faye Keller demonstrating sashing , binding techniques and half square triangles (HST). Therese Springer will talk about mitering.

The next Sew and Draw is September 21st at the Kiln Library. Here's how Sew & Draw works for the benefit of our newest members: Members sign up for various duties such as ironing, cutting and sewing and as a team we make a pieced quilt top in a day. For every session attended the member's name goes into a hat that many times for a drawing of a lucky winner of that quilt top.

This quilt top will be blue, white and yellow and we will be more selective about the fabrics brought in (scraps, fat quarters or yardage, whatever you want to contribute). The blues should be true blues, no blue-greens, in light, medium and dark. Same with the yellows, true yellows with no limes or orangey yellows, in light and medium. Melba LaCaze will provide the white fabric.

You may bring lunch or go to Subway (just up the road). Come one, come all for a fun time and a chance to win a quilt! (But remember, past winners are not eligible for the drawing but should come to help and have fun!)
