President: Venessa Saucier      Vice President: Yvette Taglieri

Secretary: Sue Rountree      Treasurer: Gloria Burlette

### **Treasurer's Report**

There were expenses of \$1,016.45 as of 08/31/14.

### **Block of the Month**

August blocks are "Split Ninepatch" and "Thrifty", directions will be handed out at the business meeting and can be found in the attachments, as well as on the BOQG website.

### **Proposal to amend Bylaws**

Current Bylaw regarding expenditures: Any expenditure of \$.01 to \$99.99 requires prior approval from the Treasurer and President of the Guild. Expenditures of \$100 or more require prior Executive Board approval.

Bylaw amendment: Add to last sentence "... And the majority of the members attending the next business meeting."

Reason for amendment: The Board has been working under the presumption that the membership was required to approve all expenditures of \$100 or more, based on current practice. This amendment to the bylaws would prescribe the current practice.

### **Hope Haven quilts**

Remember to get a Bay Oak's label to attach to your quilts or partner with someone who likes to hand sew. Also, the guild has a bolt of colorful striped fabric and a bolt of muslin to be used for these quilts

### **Project night**

Last month we had a very interesting Christmas in August . As you know the guild voted to decorate a tree for the Bay St. Louis Library's annual Christmas Tree display this coming holiday season. Chris Jarrell coordinated the presentation of several Quilted Christmas Ornaments with patterns and directions for completion. Several other members offered ideas and contributed completed ornaments. Therese Springer demonstrated how to make a Spring Fever Hexabag by Mary Anne Ciccotelli of Sewing and Beyond which makes a cheery Christmas ornament. Let's all get busy and fill the tree.

This month Therese will entertain us with a Trunk Show on September 25.

## **Solveig Christmas Challenge – Christmas 2014**

Using pieces of Solveig's fabric make a quilt in the style of Solveig. This work should be completed, pieced, and bound by the Christmas meeting of 2014 and should show the style and color that most represents Solveig's quilt art. There are no size requirements or even requirements that it be a quilt. Remember Solveig's doll! Just use her fabric, be creative and finish it by Christmas. (Gloria B.)

New members can learn about Solveig and her wonderful creations by going to the BOQG website and clicking on the link [http://www.bayoaksquiltguild.com/uploads/Wells\\_Solveig\\_04-30-12\\_for\\_Diana.pdf](http://www.bayoaksquiltguild.com/uploads/Wells_Solveig_04-30-12_for_Diana.pdf)

It tells her story and has a few pictures of her work, that may help with inspiration.
