

BAY OAKS QUILT GUILD

MEETINGS are held 2nd and 4th Thursdays, 6:30 p.m.

KILN LIBRARY, Highway 603

Membership Renewals

Current membership is 43 plus one honorary lifetime member.

Program Night

On September 22 we'll have a program designed to educate members, new and seasoned, about one of the features of any quilt show—judging. Therese S. is asking each of you who has a quilt that has been judged in a show to bring one or more of your quilts, along with the judge's critique sheet, to our meeting. Displaying the quilt and discussing the judge's comments will be helpful to any member planning to participate in our Spring Show! Let Therese know how many quilts you plan to bring, please, by calling 228 223 1033 or email springerstc@icloud.com.

Hancock County Library Benefit Quilts from

Gloria B

1. **Quilts will be due on Sept 22.** They will hang them for October. 2 There may be two of the same book and that will be OK...although it will be best if they are all different.

3 All quilts need tabs on the top at each end. The display has hooks to hang pictures and sleeves on our quilts will not work. Sorry that this info took so long. Please add tabs to the tops on each end. You might leave a sleeve if you have already put one and this will give the buyer another way to hang it at home.

4. Please let me know asap the name of your quilt. The name tags will be starting out soon.
